- 1 This memorandum is to provide an update to schools regarding the booking of *interactive* Heritage Trails (iHTs) and accessing to the relevant iHTs resources on OPAL.
- 2 7 unique iHTs with several themes have been designed by the Humanities Branch, CPDD for the Central Business District, Chinatown, Civic District, Fort Canning, Kampong Glam, Little India and Singapore River for the Primary, Secondary and Junior College/Centralised Institute levels (Refer to **Annex A** for details of each iHT).

- 4 Pre- and post- trail lesson packages have also been developed for teachers' use. Schools are advised to refer to the website for updates and announcements relating to the iHTs to facilitate the planning of their iHT trips.
- 5 In January 2015, a period contract has been awarded to LDR Pte Ltd to support the operations of iHTs for schools from January 2015 to January 2018.
